## **eLearning Companion Device (LCD) Parent/Guardian Agreement**

Fresno Unified has developed the eLearning Companion Device (LCD) program to provide students with a tablet for access to resources outside of the classroom. The tablet comes with approved, preinstalled apps that are age appropriate and compliant with state and federal privacy laws.

Parents/Guardians are responsible for the cost and use of any additional app downloads as they see fit for their student. It is recommended that parents/guardians regularly review any apps or content installed on the tablet after it is issued. A content filter is in place to ensure safe web browsing but is not monitored by Fresno Unified.

Students are expected to practice good digital citizenship. Any actions performed or initiated through the tablet while on the district network must be in line with the *Acceptable Use Policy* (AUP).

Your student does not need to bring the tablet to school, as it is meant for home or off-campus use. We ask that the tablet be returned if your student leaves or graduates from Fresno Unified within 3 school years of receiving the tablet.

If you need a replacement tablet, please visit Fresno Unified's LCD Help Desk located at Parent University, 850 N Blackstone or call them at (559)457-3939. Please note: if the tablet has been broken or lost/stolen, parents/guardians will be responsible for the repair or replacement. (First time replacement or repair is \$30, then increases to \$100 with subsequent repairs or replacements).

Parent Responsibilities:

- Supervise your student’s use of the tablet outside of the District network as Fresno Unified does not monitor activity on the tablet.
- Discuss the District’s *Acceptable Use Policy* (AUP) with your student and how to practice good digital citizenship.
- Discuss your family’s expectations regarding the use of the Internet, digital communication, and tablet apps.
- Make sure the tablet is returned to the school if requested and/or your student withdraws or graduates from Fresno Unified within 3 school years of receiving the tablet.
- Pay fees associated with your request to replace or repair the tablet.
- Understand that your student must be currently enrolled in Fresno Unified this school year and is planning on continuing in a Fresno Unified school next year.
- Receive email notifications at the email address provided in your Parent Portal Account if the preinstalled content filter is turned off by your student.

By signing below, I acknowledge the responsibilities listed above on behalf of myself and my student.
